Mr. Jenkins,
Unitarian Church,

Sir,

On behalf of the above named Association ,I hereby apply to you for permission to use your Church premises at the Corner of Banning and SargeantSts. for the purpose of carrying on the business of our group.

Our Association is a purely religious one . We hold weekly prayers and a few religious functions annually. The membership at present is about fifty. This is a very transient population consisting mainly of students from all parts of the world.

We shall be willing with your approval to make some financial donation to your Church and to give some small reimbursement to your janitor. On Sunday we had our first meeting at your place and members were impressed by the accomodation .They have asked me to convey their gratitude to you for your kind gesture.

Thanking you and I hope that this application meets the approval of your Board of Directors,

I remain,

Yours faithfully,

M.K.Baksh
President M.I.Association
