Dear Ruheen Aziz:

Congratulations! I am pleased to advise that up to \$800,000.00 to support your Community Centre project has been approved from the Arts, Culture and Sport in Community (ACSC) Large Capital Grants Program.

More information regarding the funding process, including a contribution agreement and payment schedule will be sent to you shortly. In the meantime, if you have any questions about your grant, please contact the ACSC Project Team at ACSC@gov.mb.ca.

The Manitoba government recognizes your organization's efforts to strengthen arts, culture, and sport engagement in our province. Thank you so much for pursuing the development and renewal of key spaces and facilities within your sector, thereby enhancing opportunities for Manitobans to take part and achieve their full potential. Keep up the great work.

Sincerely,
